## Knight of the Month – March

March 2024 Council 3303 Knight of the Month is Rick Dean

Rick is originally from Fairmont, WV and received a bachelor's degree in psychology from Fairmont State University. He moved to northern Virginia in 1983 to take a position with the US Postal Service. After 38 years of service, Rick retired from the Postal Service in January of 2021. He and his wife Doris moved to New Bern in March 2021. At the time of his retirement, Rick was an executive manager in Labor Relations at Postal Service HQ in Washington DC. He was responsible for national level negotiations for the collective bargaining agreement between the Postal Service and the American Postal Workers Union. In that capacity, he served as Chief Spokesperson for the Postal Service.

Rick came into full communion with the Catholic Church on December 12, 1997, joined the Knights of Columbus in early 2002, and became a 4th degree Sir Knight in November 2002.

Rick was very active in his former parish, St. Andrew the Apostle in Clifton, Virginia. He and Doris are both certified Master Catechists. Rick and Doris co-chaired the Pro-Life Committee at St. Andrew's and Rick also served as an Extraordinary Minister of Holy Communion and as Lector. Doris taught second grade religious education for many years, and taught school at the Aquinas Learning Center, a private Catholic school in Manassas, Virginia. Rick taught mostly 7th & 8th grade religious education preparing students for Confirmation.

In August of 2021, Rick was appointed Chair of the Saint Paul Catholic School Board by Father Thomas Tully. He transferred his Knights of Columbus membership to Council 3033 and became Director of the Council Faith Program. Rick also serves on the Pastoral Council of St. Paul's parish.

Rick and Doris have 4 children and 6 grandchildren. Their middle son, Mark, resides in New Bern and works for the Postal Service here. Their youngest son, Andrew, will graduate from West Virginia University in May with a BS in Mechanical Engineering. Rick's older daughter, son and grandchildren reside in West Virginia. Rick and Doris moved into Fairfield Harbour upon retirement and are loving life here in New Bern. They have a pontoon fishing boat, several kayaks and love to hike, bike and play golf as well.

## Family of the Month – March

March 2024 Family of the Month: Sir Knight Larry Winsor and wife Vickie

Vickie and Larry grew up in Louisville Kentucky, having been born in 1955 and 1956, respectively. This was appropriate, according to Larry, with Vickie being the elder and wiser one! Larry was 16 and Vickie 18 when they were married. This June they will celebrate 51 years of marriage!

They had 4 children together but, sadly, lost three at birth. The Lord blessed them with a son who resides here in New Bern. They have 5 grandkids, 3 boys and 2 girls, who keep "Granny" and "Pa Paw" VERY busy!

Larry and Vickie first moved to New Bern in 1987 when the company he had worked 39 years for sold the Louisville District operation, eliminating many positions, including his. Larry adds: "I was blessed that the new owners wanted me to stay but I ask Martin Marietta if I could continue my career with them. We stayed on until 1990 and when I was transferred to Topeka Kansas where we stayed until I was able to get back to New Bern."

Vickie worked in Data entry, Banking, Tupperware and Home Interior. She also worked for a hospital in Kansas as secretary of one of the top nursing schools in the country. She then worked at Bosch for 5 years before a diabetic condition forced her to resign.

During those years, Larry and Vickie started a business called "Metal Movers". Companies would call them to cut up metal objects like Earth Moving equipment, Loaders, Dozers and Haul Trucks like you see in the mining industry today. At one point, they accepted a contract to cut up metal used to mold fiberglass for giant electric motors for the Navy. They even took down a concrete plant. Although they loved their company, they dissolved it when they moved to New Bern. He jokes: "We used cutting torches and welding equipment, which is not a good mix in NC having so many trees!" Danny Giannantonio recruited Larry into the Knights when he returned to New Bern. Larry modestly says: "I've helped with many volunteer tasks from cleaning stuff up, putting up Flags at Church and taking them down. He helps with some of the dinners as a server and volunteers for Operation Lamb. He says: "The first time I was as scared as a cat on hot tin roof. After that, I always stepped up. Although babysitting the grandkids came along and derailed my efforts for a little bit." Larry tells us he is getting back on track now that the grandkids kids are in school.

With the Knights, he's served as Council Treasurer. When the State meeting was held here, Dick Dodson was Grand Knight and Jimmy Kelly Chaired. They "volunteered" Larry into service to support the State meeting.
Larry has been working the Yard Sale since 2013. He's been working in electronics ever since and jokingly adds "I have not forgiven Rich Tomasik yet! LOL!" He's been known to visit Yard Sale customers to help resolve simple issues with electronics adding "I am not an electronics person by any trade except the Yard Sale. Go Figure."

Larry is also a Eucharistic Minister, which he very much enjoys, having started when Father Tully first asked for volunteers. He is an usher and created the Usher sign in/check in for Masses and manages them for each Quarter. He also helps set up Christmas scenes on the altar and helps with the flowers. He also recently helped relocate church pews "which was great hanging out with old timers."

Larry jokes: “Like a lot of us I guess, my wife and I were both volunteered into the Army in 70's.” They were the first Husband and Wife Team in the 494th Transportation Company at Fort Knox and then were sent to Fort Cambell 544th S&S Supply Battalion where they finished their time in the service. After leaving active duty, they did a short stent in the Army Reserves.

Larry dabbles in a lot of hobbies. He enjoys “taking stuff apart”, adding “it seems harder to get it back together without having parts left over.” He enjoys servicing their personal vehicles by doing oil changes, tire rotation (“and repairs I can diagnose”).

He also enjoys some electrical, carpentry and working with wood projects. For the last three plus years he has taken care of neighbors’ yards and home maintenance due to passing of a husband or simply because they are unable to do it themselves anymore. He also selflessly works on family members’ cars, though sometimes with not as much joy 😉. For his selfless dedication and for all the good things this couple has done for our Council, our Parish and the community, let us offer a well-deserved congratulations to Sir Knight Larry Winsor and his wife Vickie, as Council 3303 March 2024 Family of the Month!

## Membership Director’s Desk:
## Lead by Example

The past Knightline talked about leadership. Leadership comes in many different forms and roles. Leadership can be taking charge of a situation or station or merely setting the example for others to follow. Where do you fall within the mentioned categories? As a Knight you certainly set the example for other good Catholic men to follow. By setting a good example others will follow or emulate your goodness. But, is that merely enough?

As a Knight you stand in the forefront of other good Catholic men. By your generosity, loyalty and devotion you have proven yourself as a leader. How many other good Catholic men that you know or see in church, if asked to become a Knight, would want to be a leader? You never know until you ask. I always believed that you have to lead by example. I make it a point to talk to as many men as I can at mass. I have also found out that wives are instrumental in our discussion about becoming a Knight. As we all know wives can be very influential in the decision-making process.

Show your leadership by asking a bold question of your fellow parishioner, “Have you considered joining the Knights to serve God and our fellow man?”.

## Faithful Navigators Report

I was riding around the building the other day and was pleased to see a pile of dirt where the containers use to sit. This means that the new building is on its way. We are hoping this project will be complete by mid April. We will be using the chambers for items so we will be having our meetings in the hall the time . being

We donated about $7,000 to RCS with some of the money donated will be for the veterans that they help and the rest will be used to help with new toilets.

We still as always need help with the yard sale. We need people that can help load furniture and boxes onto the trailer as well as help inside the building. I want to take this time to thank all of the people who dedicate their time to the yard sale without you our efforts would not be as successful as they have been.

I would like to welcome Father Burch. He is a fourth degree which would be a welcomed addition to our fourth degree meetings. I want to also thank Deacon Jim for all that he does. We could not do any of this without his continued support and dedication to getting things done.

Lastly, I'd like to thank all of you for your help and support. Happy Easter and please be safe as we celebrate the season of rebirth. May God bless you all and may he turn his face to you. I love you all! Yes, all means you too!

# And the Yard Sale Storage Building Project rolls on!!

Well, we have finally gotten a bit closer to the finish line on our new Storage Building. As you can see below, the site had now been elevated, and the footers, concrete pad, and ramp have been prepared. After the city inspects the footers on Mar 19th, the crew will return and pour the concrete. The concrete will be allowed to cure for two weeks before this crew returns to remove the form and finish off the site grading work before the arrival of the crew to install the building.

On or about April 4th, the crew from Superior Metals will begin installation and complete it in two to three days.

After they complete this, our volunteers will install the OBX panels on the building interior and our electrician will be brought in to install the fixtures and switches. On or about April 10th the city will come in for our final inspection and we should receive our certificate of occupancy. At this juncture, the new building will be fully operational (aside for some finishing touches on the grounds around the building exterior).

## The Season of Easter

By Katie Yoder *(Former Washington, D. C., correspondent Katie Yoder covered pro-life issues, the U.S. Catholic bishops, public policy, and Congress for Catholic News Agency. She previously worked for Townhall.com, National Review, and the Media Research Center.)*

Catholics recognize Easter — when Jesus Christ rose from the dead after sacrificing his life for all of humanity — as the first Sunday after the first full moon on or after the spring equinox. But, as it turns out, they can continue saying “Happy Easter” into May or, in some years, into June.

Easter lasts for a total of 50 days, from Easter Sunday until the feast of Pentecost, when the Holy Spirit came upon the apostles, Mary, and the first followers of Christ. This year Easter is on March 31 and runs until this Sunday, May 19 (Pentecost Sunday).

Catholics observe Easter in different stages. Easter Sunday is the greatest Sunday of the year, and it marks the start of the “Easter octave,” or the eight days that stretch from the first to the second Sunday of Easter (also known as Divine Mercy Sunday). The Church celebrates each of these eight days as solemnities of the Lord — a direct extension of Easter Sunday.

The entire Easter season lasts 50 days and includes the solemnity of the Ascension of Christ, which falls on the 40th day of Easter, which this year is May 9 (to be celebrated on Sunday, May 12). It ends with Pentecost, which is derived from the Greek word “pentecoste,” meaning “50th.”

“The 50 days from the Sunday of the Resurrection to Pentecost Sunday are celebrated in joy and exultation as one feast day, indeed as one ‘great Sunday,’” according to the United States Conference of Catholic Bishops. “These are the days above all others in which the ‘Alleluia’ is sung.”

The United States Conference of Catholic Bishops) USCCB calls Easter “the most important of all liturgical times.” “It celebrates Jesus’ victory of sin and death and salvation for mankind,” the U.S. bishops say. “It is God’s greatest act of love to redeem mankind.”

In the traditional form of the Roman rite, Easter is known properly as Paschaltide, which includes three parts: the season of Easter, Ascensiontide, and the octave of Pentecost. It thus lasts one week longer than the Easter season in the calendar of the Missal of St. Paul VI.

The season of Easter begins with the Easter Vigil on Holy Saturday, March 30) and runs through the afternoon of the vigil of the Ascension.

Ascensiontide begins the evening before the Ascension, with First Vespers of the feast, and ends the afternoon of the vigil of Pentecost — marking the first novena.

The octave of Pentecost is an extension of the feast of Pentecost, beginning with the vigil Mass of Pentecost and ending the afternoon of the following Saturday, which this year falls June 3.

**An Easter Reflection – Deacon Jim Hackett**

Alleluia! He is Risen!

Saying those words is like drinking a tall glass of cold water after being out in the desert all day. Lent is over and it is now time to celebrate the great joy of Easter!

At the Easter Vigil, the Exsultet is sung as Mass begins in darkness, illumined only by candles throughout the church. The Exsultet is a beautiful hymn of rejoicing in Christ's triumph over sin and death. One part states:

*O truly necessary sin of Adam, destroyed completely by the Death of Christ!*
*O happy fault that earned for us so great, so glorious a Redeemer!*

This line stands out because it calls the sin of Adam "necessary" and refers to it as "O happy fault." At first, this may seem strange. Why is it that we refer to the sin of Adam, Original Sin, as "necessary" and "happy." The answer is Easter. It's because God, in His perfect wisdom and love, took sin and the consequence of sin (death) and used them as the means of the salvation of the world. That's what Easter is all about!

This may be hard to comprehend so it's worth thinking about more deeply. Without Adam's sin, there would be no Jesus. God would not have had to become one of us. So even though the original sin of Adam, as well as all future sin, is evil and wrong, God in His perfect power and love chose to use it as the very means of the salvation of the world. How? By allowing the sins of the world to persecute Him and crucify Him, and then, by turning that suffering and death into the very means of salvation. Jesus destroyed sin by destroying the consequences of sin which is death. Death loses in the Resurrection! Jesus' Resurrection takes away the effects of all sin for those who cling to Him.

Easter is a time when we must do just that. We must "cling" to our resurrected Lord! We must cling to Jesus who is alive and well. We must cling to His Resurrection and strive to share in it. How do we cling to our Resurrected Lord? There are many ways. Here is one.

Take joy in everything. Start with whatever it is that burdens you the most. Whatever it is that makes you angry, sad or depressed. Whatever that is, it can potentially become one of your greatest sources of grace and joy. Seriously, it can. If the brutal Crucifixion of Jesus, the Son of God, can turn out to be the greatest event in all of human history, then your personal suffering, your burden, or even your sin can very much become a source of great joy as long as you let God transform it into part of His Resurrection!

This is the meaning of Easter! Easter means that nothing can keep us from the joy that God wants to give us. Nothing can steal that joy away. Sure, at times we will struggle just as Jesus did in the Agony of the Garden and the Via Dolorosa (the Way of the Cross), but those sufferings will not win. The Resurrection won with Christ and it will win with us when we cling to Him. Jesus persevered and, in the end, rose victorious. This is Easter!

Know that God wants you to experience the joy of Easter in your life. Let Him fill you with hope and with the joy that only the Resurrection can bring. God wants Easter to begin now in our lives! Happy Easter!

Let us pray:

*My transforming Lord, me to cling to You in Your Resurrection. Help me to let you transform every cross and burden in my life into joy. Lord may Your joy fill my life and be my strength in all things. Jesus, I trust in You.*

*Amen.*

# Celebrating Divine Mercy Sunday – Sunday, April 7

***"Proclaim that mercy is the greatest attribute of God. All the works of My hands are crowned with mercy."***
***- St. Faustina***

In the 1930s, a young woman in Poland claimed to have vivid revelations in which she was personally visited by Jesus. And decades later, we still honor her writings and the image that appeared to her, of the risen Messiah, whose heart revealed rays of red and "pale" light, symbolizing blood and water and whose words resonate with Catholics to this day: "Jesus I trust in you."

Faustina Kowalska, a sister of the Congregation of Sisters of Our Lady of Mercy, was canonized by Pope John Paul II in 2000. He also proclaimed the second Sunday of every Easter would be known as Divine Mercy Sunday, which fulfilled Jesus' revelation to Saint Faustina that as a feast day dedicated to Divine Mercy be established, as is written in her diary.

Besides being a day that commemorates St. Faustina's writings and revelations, it is also a special day that offers a plenary indulgence, which removes the temporal punishment of sins that have already been forgiven. Below are the conditions to obtain this plenary indulgence according to Pope John Paul II decree:

**The usual conditions for a plenary indulgence:**

- sacramental confession [according to previously issued norms, within about 20 days before or after]
- Eucharistic communion [according to previously issued norms, preferably on the day, or the days before or after]
- prayer for the intentions of Supreme Pontiff

**The specific conditions for this Indulgence on Divine Mercy Sunday are:**

- In any church or chapel, in a spirit that is completely detached from the affection for a sin, even a venial sin, take part in the prayers and devotions held in honor of Divine Mercy
- Or, in the presence of the Blessed Sacrament exposed or reserved in the tabernacle, recite the Our Father and the Creed, adding a devout prayer to the merciful Lord Jesus (e.g., Merciful Jesus, I trust in you!)

Another important aspect of the Divine Mercy that came from St. Faustina's revelations is the Divine Mercy Chaplet, a set of prayers that are prayed using rosary beads, often at 3 p.m., the hour of Jesus' death. The prayer begins with one Our Father, one Hail Mary and the Apostles Creed. Then on the Our Father beads of the rosary, recite, "Eternal Father, I offer You the Body and Blood, Soul and Divinity of Your dearly beloved Son, Our Lord Jesus Christ, in atonement for our sins and those of the whole world." On the ten Hail Mary beads, pray, "For the sake of His sorrowful Passion, have mercy on us and the whole world." Repeat this on all five decades, and conclude with "Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and the whole world."

Parishes in the Diocese of Raleigh are celebrating Divine Mercy Sunday in various ways. St. Paul Church Parish will have the Chaplet of Divine Mercy on Sunday, April 7 at 10:30 am as it does every Sunday.
