Grand Knight's Comments

Brother Knights,

Who has cabin fever? I'm sure we are all are looking forward to getting our lives back to near-normal and just being able to enjoy the company of our friends and neighbors as well as our Knights of Columbus family. It just doesn't feel right not being able to shake hands and hug. With continued prayer, safe practices and following the direction of our elected leaders, we'll get there sooner than you think. I know there is a lot of uncertainty as we head into the month of May, but it

is encouraging to see glimmers of hope and optimism in the news. Rest assured that our Monday Bingo games will resume immediately after the current Covid - 19 restrictions are lifted. I'll be sure to keep everyone informed via e-mails and phone tree. Even though we are not able to gather like

we normally do, please know that Council 3303 is staying active by taking care of business. We are still making charitable donations, working to complete the current fraternal year budget, preparing for the 2020-21 slate of officers and positions, updating a new budget, and recruiting new members. Speaking of new members, we have three new 3rd Degree Brother Knights that completed the new online Exemplification of Charity, Unity, and Fraternity. Please welcome 3rd Degree Brothers Jacob Dudding, Don Perkins, and John Wood. Congratulations to Brothers Ed Jones, Al Casciello, Guy Ferrante, Dan Macsay, and new transfer Joe Goodrich for also advancing to the 3rd Degree. Along with six recent transfers and hopefully a few more prospects, our council is growing and that is a wonderful blessing.

Of course, Easter 2020 just wasn't the same, but hopefully everyone was able to tune into Easter Sunday Mass on TV or the internet to celebrate the Resurrection of Christ. It is important in this difficult time to keep our focus and remember the Sundays of Easter symbolize the fulfillment of our faith as Christians. More so this year. Although our April LAMB Awards dinner and ARC of Craven County Annual Distinguished Awards Banquet were not held, our impact was still felt by the recipients. We still donated the \$600 cost of food to ARC and there are a lot of happy educators and program coordinators that work with the intellectually challenged who received LAMB checks in the mail. The thank you letters that the Council received are heart-warming. Thank you to Brothers Tom Henry and Stan Namowicz who head these programs. We look to reschedule the Walmart Tootsie Roll collection later this summer. We still hope to try to host our Founder's Day Communion Breakfast and Knight's Family Picnic before the fraternal year comes to a close at the end of June. Right now, the Council 3303 Installation of Officers ceremony and dinner is scheduled to take place at Columbus Club Hall on Sunday, July 12.

(continued on page 2)

Finally, please do not hesitate to contact me or the church should you know of a Brother, Widow, or Parishioner who may need any assistance with crucial errands, help with food, or just someone to talk to. Please keep Elsa and the Pake family in your prayers. SK William Pake entered eternal life on April 19th. We also pray for our medical professionals who have done an incredible job. Looking forward to when we gather again.

VIVAT JESUS!

Knights Make a Timely Donation to RCS of New Bern

The Knights of Columbus Monsignor James R. Jones Council 3303 presented David Kick, Executive Director of Religious Community Services (RCS) of New Bern, a check for \$3,000 to be used for the purchase of food to supplement weekend meals for school children in Pamlico and Jones Counties. The donation was made on March 27th and is part of our budgeted Food for Families program. With the Covid-19 crisis, the donation really makes a difference filling this unmet need. Students from St. Paul Catholic School were also on hand that day at RCS preparing over 100 lunches to go for the regular daily meal. Pictured (left to right) are Knights Dick Dodson, Deputy Grand Knight Steve Harman, and Grand Knight Mike Lynch presenting a check to David Kick, Executive Director of RCS.

Family of the Month – April

This month our council honors George and Louise Halyak as our Family of the Month. George originally came from Pittsburgh, PA. He attended Duquesne University and spent four years in the Navy aboard the destroyer USS Forrest Royal DD872. When he left the service, he went to Washington, DC and worked with defense contractors until he retired in 1999 as Director of Government Sales for the Unican Corporation.

Louise was born and raised in Washington, DC. She went to American University there and retired after 17 years working for the Federal government. She and George retired to New Bern in 1999 from Arlington, VA. Between them, they have seven children, 15 grandchildren, and eight great grandchildren.

Between the parish and the Knights, they remain very busy. They had the lead on the recent wives appreciation dinner along with coordinating many of the other Knights' dinners. George has worked BINGO, the Lenten Fish Fry, and the Yard Sale for eight years. Louise, on the other hand, is on the alter guild and launders and irons the alter linens. In addition, she counts the collection on Sunday mornings.

Like so many other Family of the Month couples, George and Louise work behind the scenes, giving of their time and devotion to the worthy causes of the Knights and the parish. Their selflessness provides an inspiration to all their fellow Knights and Saint Paul parishioners.

John Murphy

Sir Knight of the Month – April

SK Pat Rocco is our selection for Sir Knight of the Month for April 2020. Pat hails from Staten Island, NY, where he spent more than a few years as a manager for the US Postal Service. He and his wife, Lynn, relocated to our area in 2005 and now make their home on Oakview Drive in New Bern.

Pat joined the Knights in 2009 and quickly became the program director for the Council. He has held the positions of Recorder, Deputy Grand Knight, Grand Knight, and District Deputy. He made his 4th Degree in 2010 and has served the Assembly in the positions of Faithful Pilot, Faithful Captain and Faithful Navigator.

Pat has been an active contributor in just about every facet of the Council's and Assembly's operations. On Monday nights you can find him in our bingo kitchen. He has been involved with the shrimp boil, LAMB collection, Color Corps, the family picnic, and has served as an Usher at St. Paul's. Pat was instrumental in the expansion of our yard sale facility so that all of our merchandise could be stored on site. He travels around New Bern as part of our "truck monkey" crew collecting donations. If you're ever looking for him, chances are you'll find him at or near the Knight's Hall on most days.

Pat's selfless dedication is instrumental in keeping our organization the vibrant, energetic entity it is today. We salute you, Pat, and congratulations on your selection for Sir Knight of the Month. You richly deserve it.

Doug Uhland, Faithful Captain

Faithful Navigator's Report

Greetings Brother Knights!

I hope you and your families are all doing well during this difficult time. There has been a drastic change to all our lifestyles due to the corona virus. Each and everything we do from everyday tasks such as going to the store for groceries or pharmacy for prescriptions or to the doctor for an appointment has become almost an impossible task.

The main event we are missing each week is Saturday or Sunday Mass. Sure we can watch a Mass online or on television, but we can't receive the Blessed Sacrament. It's just not the same.

I'm sure we are all missing our usual social gatherings with family and friends. Easter Sunday was a prime example of this. How nice it would be to go to a restaurant with some friends or a neighbor and have a glass of wine and some dinner conversation.

Let us all pray that this too shall pass sooner than later. Special prayers are needed for all our first responders and doctors and nurses who are working tirelessly to care for all our brothers and sisters that are affected by this terrible disease. Special prayers are also needed for all those who have passed away from this pandemic, not only in the US but worldwide.

We all need to still follow the federal, state and local governments guidelines as to social distancing, staying home and hygiene if we are to beat this virus.

There are no meetings or events scheduled for the near future. I would like to thank the officers for acknowledging the Catholic Charities request to aid seniors. I would also like to thank Bill, Dan, Gordy, Dave, Mark, Doug, Paul and Mike Lynch and son who came out and supported the last fish fry take out with curbside service. Great job everyone! All food that was left was donated to RCS.

Please pray for all our veterans and active military and their families. Please keep Sir Knight Rich Tomasik and his family in your prayers. His mom Olga passed away on Easter Sunday. God Bless You All,

Ralph Aviles
Faithful Navigator

Knight of the Month for April 2020

Sir Knight and Brother Ralph Aviles is the Knight of the Month for April 2020. Since he became a knight in 2011 Ralph has been a steady contributor to Council 3303, Assembly 1820, and the community. He is currently the Faithful Navigator of the Assembly, serves as a cook on the Bingo Team, and just completed an outstanding effort as the leader for three very successful Lenten Fish Fries where hundreds of members of the parish enjoyed superb dinners. He and his team were very flexible for the third Fish Fry because it was conducted as a curb side delivery. If not for the virus New Bern would have recently benefited from a visit of the Viet Nam War Healing Wall. Ralph is to be commended for a tremendous effort in organizing the hundreds of volunteers for this event. We encourage others to be as giving as Ralph as our council continues to serve our brothers, the parish and our community. We are honored to salute Ralph as our Knight of the Month.

On-line Exemplification of Charity, Unity, and Fraternity gives us 3 new Brother Knights

During this time of pandemic, KofC Supreme Council has authorized a special on-line Exemplification of Charity, Unity and Fraternity that was held on April 16. Men are eager to join our ranks and we had nine prospects that the Council overwhelmingly approved by an e-mail vote. This ceremony is for any candidate that we approve for membership. It also is for any 1st and 2nd degree members who seek advancement to the 3rd degree. So, thanks to the help of our new Council 3303 Membership Director, Dan Macsay, we were able to get the word out about this unique opportunity. We are processing the 3 new members and updating records of our other new 3rd Degree Knights. Congratulations to our newest Brothers and 3rd Degree Knights and thanks to all the other brothers that tuned in to observe. This Degree will be repeated on **April 30 at 7pm & 10pm** and **May 7 at 7am, 2pm, 7pm, & 10pm**. So if you missed it, please consider taking advantage of these chances to advance to the 3rd Degree or observe the online exemplification. I will e-mail out instructions with a link to register.

Council & Assembly Come Through with Urgent Help for Catholic Charities

Both the Monsignor James R. Jones Council 3303 and Father Kenneth I. Parker Assembly 1820 responded to an urgent request from the New Bern Catholic Charities Office. Grand Knight Mike Lynch and Faithful Navigator Ralph Aviles presented separate checks totaling over \$2,800 to Agnes Barber, Program Director for the New Bern Office of Catholic Charities of the Diocese of Raleigh. These funds will be converted into food gift cards to assist seniors in the Senior Pharmacy Program of Catholic Charities in New Bern during this COVID-19 pandemic.

Social Distancing Our Way to Heaven

Today is April 19, Divine Mercy Sunday. The Church invites us to pray The Chaplet of The Divine Mystery this week, for the safe being of our self and the entire world from the lethal ravages of the COV-19 virus. As a result of this pandemic, we are all too familiar with the upside down, frightening world we now find ourselves living in. It's true. We are all in this together - engulfed in a dark smothering cloud of uncertainty. Terminology such as social distancing and stay-at-home now describe our new normal way of day-to-day life. Nationwide, medical professionals and hospital/rehab facilities are overwhelmed. A renewed emphasis on traditionally effective hygiene: keeping bathroom/kitchen surfaces clean, frequent hand washing, and coughing into one's elbow ... now include more stringent precautions like wearing mask/gloves to the grocery store or doctor's office. One thing for sure, once the COV-19 passes, the world will never be the same. More than a few faith-filled Christians cite Old Testament scripture and gospel accounts of Jesus' description of His 'Second Coming' proclaim that the end time is upon us. In either case, as a 77-year-old parishioner at St. Paul's Catholic Church in New Bern, NC, I am not alone in trying to social distance my way to Heaven. Over time, I have borrowed advice from individuals much wiser than me and used them as strong arms, helping me row through afflictions and fear before and after social distancing. For what they are worth, here are some familiar and perhaps some not so familiar ways you and I can get through this together.

1. Say Good Morning to God each day: a brief greeting," Lord, thank you for a beautiful day. Hold my hand each step of the way," or, the Morning Offering Prayer, etc.
2. Want to make God laugh? Tell Him your plan.
3. Life is always in motion. You are either moving forward or you are moving backward. Every single one of the thousands of decisions I make today will either draw me closer to God or draw me away from God.
4. Look out for your dog because your dog is looking out for you.
5. Being isolated is not the same as being forsaken. After the Passover meal, as was His custom Jesus went to the garden with his best friends nearby to pray. They still did not get it. The following day while Jesus was crowned with thorns, the one Jesus appointed to lead the church repeatedly denied knowing Him. As He dragged His bloody cross to Calvary, one by one his friends disappeared into the crowd. As He died an agonizing bloody death on the cross, Jesus cried out. ABBA! Father, why have you abandoned me? Three days later the same God who loves you and me unconditionally, raised up His only Son Jesus from the tomb overcoming death and cleansing the sins of mankind for all eternity. After His resurrection, Jesus appeared, flesh and blood, to his best friends, the apostles and disciples who were cowering in a locked room. He had not abandoned them. He had returned as He had promised and sent his Holy Spirit to be with them forever.
6. Do not be ashamed of or embarrassed by your physical/mental limitations. God knows better than you what you can and cannot do.
7. No TP? No problem. A hand full of grape leaves in the Garden of Eden for Adam and Eve was a gift from Heaven.
8. Set aside half hour or so each day to reflect on a scripture reading for today. If you are unable to do so, ask someone to help you.
9. Enjoy on TV or live streaming the consecration of the Eucharist and celebration of Mass and reciting the spiritual communion prayer.
10. If you are able, step outside or go for a walk. Or, just look out the window. Breathe in and breathe out God's goodness all around you: the blue sky, colorful flowers, and songbirds.
11. If you want to make God laugh, tell Him your plan.
12. Do something good for someone every day: write a note, send a text, give him/her a phone call ... a wave or a smile.

(continued on next page)

13. Each time you have an in-person/telephone appointment with your doctor, and they ask, is there anything else you would like to say ... tell him/her that they are in your prayers.

14. Spiritual Masters of all Traditions share a common precept on the essence of life: life lies in being, not having, not in achieving but sharing, not in holding onto but letting go. Not until I allow these truths to soak into my intellect and heart will I be thankful for my blessings and sufferings.

Columbus Club

The virus has obviously had an impact on the activities at our facilities, with the shutdown of Bingo and the Yard Sale and the loss or rescheduling of several rental events. Although we might run in the red if our rental activity is not allowed to continue within this fiscal year, we were in very good shape when the pandemic struck in mid-March and so the impact should not be that significant. Nothing has really been going on socially at the hall since the St Patty's Day event hosted along with the Catholic Daughters. Only the Red Cross blood drives have been using the building since that time.

We took advantage of the slowdown to bring back our painter to put a fresh coat on the woodwork in the hall and rest rooms and repaint all the exterior doors in both buildings. In combination with the waxing of the floors and some ceiling repairs made, the buildings are looking as good as they did when the renovation project was completed several years ago.

As noted in a previous article, I will end my 4+ year tenure on the Columbus Club at the end of June and the organization needs to get some new blood on the board to help operate, maintain, and manage the facilities. All of the major capital projects have been completed, so the amount of effort has been significantly reduced.

Please consider stepping up to the plate and helping spread out the responsibilities!

President – Columbus Club of New Bern

Sister Monique offers a Prayer during a Pandemic

Loving God, Holy One,
Your desire is for our wholeness and well-being.
We hold in tenderness and prayer the collective suffering of our world at this time.
We grieve precious lives lost and vulnerable lives threatened.
We ache for ourselves and our neighbors, standing before an uncertain future.
We pray may love, not fear, go viral.
Inspire our leaders to discern and choose wisely, aligned with the common good.
Help us to practice social distancing and reveal to us new and creative ways to come together in spirit and solidarity.
Call us to profound trust in your faithful presence,
You, the God who does not abandon,
You, the Holy One, breathing within us, breathing among us, breathing around us, in our beautiful yet wounded world.

Chris Koellhoffer, IHM

Final Fish Fry Drive Thru was a Success

Thank you to Ralph Aviles, Doug Uhland, Dan Macsray, Gordy Barnes, Paul Masotta, Mark Layel, David W. Nelson, Bill Elliott, and Deacon Jim Hackett for coming out Friday, March 27th to make our final Fish Fry for the Lenten season a bigger success than expected. We were hesitant to even try the curb-side pick-up, and there was talk about even just scrapping the event. About 130 meals were prepared that did not have to be donated. In addition to the 23 tickets purchased, over 95 meals were purchased at pick-up. We offered meals to Father Rob and Deacon Fisher who said the Stations of the Cross following the meal at 7pm. An extra box of frozen fish was donated to RCS. The Council profited over \$900 in total for the three fish fries which really helps this year as our charitable fundraising has been curtailed.

Paying Final Respects to Sir Knight William R. Pake

Sir Knight William Pake passed away on Sunday, April 19 at his home surrounded by his family. Bill joined our Order and became a 1st Degree Knight on November 20, 1975. He was a Past Grand Knight and Ceremonial Team Leader for Council 3303 and a Past Faithful Navigator and Color Corps Commander of Assembly 1820. He is survived by his loving wife, Elsa. The 4th Degree Color Corps provided an Honor Guard for the outdoor graveside service on April 22nd at St. Joseph Cemetery. Our Faithful Friar, Father Rob Schmid, officiated. Brother Bill Pake will be remembered at a memorial mass later this year. May God rest the soul of our departed Brother Bill and all the souls of our departed Brother Knights.

Supreme Council Guidance on The Leave No Neighbor Behind Initiative in Response to the Pandemic

Knights of Columbus are called to step into the breach and leave no neighbor behind – especially in this time of crisis. As the coronavirus pandemic continues, our duty is to lead our families, protect our parishes, and serve our communities, remembering always that where there's a need, there's a Knight. Supreme Knight Carl A. Anderson has challenged Knights to take this moment as an opportunity to “deepen our commitment to the very principles which define us: charity, unity and fraternity.”

Knights of Columbus Order wide are encouraged to serve and sacrifice for those around us. Many, including in our own councils and parishes, are isolated and alone in quarantine. Food banks, blood centers, and other essential services have been depleted of their vital supplies. There are many people and places that require urgent help. Knights are encouraged to engage in five types of service activities:

- [1. Support Your Brother Knights](#)
- [2. Support Your Parish](#)
- [3. Support Your Community](#)
- [4. Feed the Hungry](#)
- [5. Participate in Blood Drives](#)

Where you see opportunities to do more, you are encouraged to do so, always mindful of guidelines and suggested procedures from national and local health experts. Abide by social distancing, self-quarantine, and shelter-in-place orders, where applicable. Do not put yourself or others at risk of infection. For more information on safety measures while participating in program activities, refer to the “Guidance on Safety” section on the kofc.org website.

Above all else, remember your duty as a Knight of Columbus. When crisis strikes, we respond with care, compassion and charity. It is time for all of us to answer the call – and leave no neighbor behind.

Guidance on Safety

While engaging in activities as part of the Leave No Neighbor Behind program, participants are encouraged to always be mindful of guidelines and suggested procedures from national and local health experts. Abide by social distancing, self-quarantine and shelter-in-place orders, where applicable. **Do not put yourself or others at risk of infection.**

For your sake, that of your family, and the entire community, you need to consider your own safety first. Leave your home only when necessary. Those who are at higher risk or who live with people at higher risk (such as people over 60 years old, who are ill, who have pre-existing conditions, etc.) should avoid going out in public for any reason. Additionally, participants should strive to limit direct contact with other members, as much as possible (i.e. Do not offer to drive a member to the store but, rather, complete the errand on his behalf). Safe environment rules for the protection of children should be strictly followed.

Top 12 Catholic Movies to Watch During Social Distancing

- Taken from KofC.org - By Andrew Fowler 4/13/2020

With movie theaters shutting down across the country to prevent the spread of the coronavirus pandemic, people are turning to streaming platforms to occupy their time during social distancing. Make the most of your time by watching something that will not only entertain but lift your mind and heart to something higher.

Here's is a list of quality films that are perfect to engage Catholics in thoughtful reflection. For a description of each movie go to kofc.org and click on [Our Response](#) on the Main page then click on

Knights of Columbus Insurance Update

The mission of the Knights of Columbus today remains the same as when it was founded in 1882: to protect Catholic families financially and to help strengthen the Catholic faith of our members.

While the current medical, social and economic issues we face are unsettling, it's not the first time we have risen to meet such challenges. Our Order has stood strong through past crises such as the Spanish flu in 1918, the Great Depression and the financial crisis of 2008.

Just as we stood together during those times, we stand ready in our own difficult times to provide life insurance, annuities, long term care and disability insurance. As your Knights of Columbus Insurance agent, I am standing by to help you understand how the current climate may affect your personal finances and how our products can help.

I can meet with you in a virtual meeting using Skype, which gives me the ability to show you what we are speaking of just like a face to face meeting. We can also meet via phone. I look forward to answering your questions, assisting with any service-related issues and help show you how you can reduce your financial risk.

As the Knights of Columbus recently turned 138 years old, it is an opportune moment to thank our founder, Father Michael McGivney, for his foresight in founding an Order that consistently provides reliable financial protection for Catholic families. You do not face the current challenges alone. Our commitment to helping you and your family remains strong. Vivat Jesus!
